Thanks for the offer Allysia, but I am quite behind on workload. Could you ask Claire Crow to be in on the review?

Hi Cindy and Matt.

I need to establish and organize the AiR review panels as the applications close tomorrow.
Are either of you interested in serving on the review?

I would like to send a Doodle poll soon to nail down the date(s) for this.

Thanks for letting me know.

The Presidential Proclamation and the Antiquities Act provide a clear mandate -- to protect the myriad historic and scientific resources in the Monument. To meet this objective, the Monument will be managed according to two basic principles. First and foremost, the Monument will remain protected in its primitive, frontier state.

Second, the Monument will provide opportunities for the study of scientific and historic resources.
